## **Our Cheeses:**

**English Brie (v):** A creamy, semi-soft cheese made from cows milk that develops in flavour as it matures.

**Redwood Smoked Cheddar (v):** This cheese is great balance between creamy mature cheddar and a tangy smokey cheese flavour finished with a dusting of paprika.

**Shropshire Blue (v)** Made by the Stilton dairies, this is a soft textured, mellow, blue cheese with a glorious contrast of colours between the orange hue of the curd and the delicate blue veins.

**Black Bomber Cheddar (v):** This strong mature cheddar is powerful but mellow with a creamy texture.

**Lincolnshire Poacher (v)** A hard cheese with a smooth texture and taste of sweet fruit and nutty notes.
