We will be holding a number of events through out the year to help raise much needed funds for this worthy charity. We also have a change jar on the bar you are welcome to donate any of that loose change weighing down your pockets and purses. All proceeds go straight to Harry's Pal's

A little about Harry's Pal's - Set up by Hayley and her family after the devastating news their son was severely disable upon birth.

The charity provides emotional support to parents of severely ill or disabled children with counselling, respite care and much more. This is a small local charity doing so much to help both parents and siblings. Every penny really does count to them.
